

Photo Submission Guidelines

If you are interested in having your photographic work showcased on our Paola School of Dance website, please follow our submission guidelines.

- Photographs will be accepted from Paola School of Dance parents or students age 18 and older only. Not all photographs submitted will be published.
- Photographs for consideration must be submitted in JPEG (.jpg) format.
- Preference will be given to photographs taken in the studio or at a recital.
- Photographs with personally identifiable information (names, phone numbers, license plates, email addresses, etc.) will not be accepted.
- Photographs of individual persons will not be accepted.
- Please submit one photo at a time.
- For all pictures, the name, address, phone number, and email address of the person submitting the images must be included. This information will not be made public, but is for our records only.
- Please include information about the photo - when and where it was taken, the name of the students, routine, or recital.
- Tell us how you want to have your name acknowledged (i.e. 'submitted by John Q. Doe') when you submit the picture.
- The larger the picture, the better we can use it. Please do not reduce the image size before submitting it.
- All pictures should be submitted to the techsupport@paolaschoolofdance.com by e-mail.
- Photos must be submitted by the photographer and must be the photographer's original work.
- All photographs submitted via e-mail are still the property of the photographer or other copyright holder, Paola School of Dance is granted the right to use copies of the image on this website in any manner without compensation.
- Photographs containing a photographer's watermark or other copyright may not be submitted.
- Do not submit any pictures that are offensive in nature.
